

## Notification for Specific Pesticide Application Brown City Community Schools

I would like to be notified before any specific pesticide application is made at this school. Notification will be provided via first-class United State mail postmarked at least 3 days prior to application, if requested. I understand that I will be notified after the application, if the pest problem requires an emergency application. Postings will also be displayed at main entrances of buildings. If you wish for any IPM information, please see contact below.
