

Dear Parents:

We know it is the end of the school year, but we have put together a suggested school supply list for your child as he/she enters the next grade level. We understand how anxious the children are to shop in the fall, and there are many things that they could use that would defray the cost of our classroom orders. Please understand that this is optional. Do not worry if you are unable to provide these materials.

Please remind your student that any bulk supplies sent in will be donated for the entire class to use. Please do not send colored pencils, markers, or sharpeners.

Student Materials Needed:

1. 5 boxes of Crayons 24 count
2. 5 big glue sticks
3. Spill proof refillable water bottle

Classroom Materials that can be donated throughout the school year:

1. boxes of Kleenex
2. Lysol wipes
3. hand sanitizer
4. Ziploc bags – all sizes appreciated
5. Bulk snack- items individually wrapped

Thank you for your support,

Brown City Elementary Parent Involvement Committee,
